## TOO LATE TO CLASSIFY

By Russell Kay.

In company with Red Edgerton, representative of the Western Newspaper Union, I spent the better part of last week visiting publishers in south and central Florida. It's the best way I know to get a clear picture of conditions throughout the state.

I'm happy to report—that the picture was mighty encouraging. We found most of our busy and prosperous; tourists are coming into the state in a never-ending stream; most shops were doing a brisk business and the hotels and restaurants were crowded.

Plant City, while not expecting an huge strawberry crop as last season, was in good shape. Secretary Huff, of the Chamber of Commerce, anticipates a good season and already is making plans for a bigger and better strawberry festival.

Editor French of the Mulberry Press is still a Republican and his course can't be questioned.

I found some alarm among Polk county growers as to the returns from this year's yield to delay in solving marketing problems and an exceptionally heavy orange crop. Laidlaw looked fine, with a big business and the hotels and restaurants were crowded. Bartow merchants complained of slack sales during the past two weeks; Winter Haven was making elaborate prepara-

tions for the coming Florida Orange Festival with all civic bodies cooperating to make it a success; Lake Wales is beginning to benefit from an all increasing number of Tower visitors and winter residents are opening their homes all up and down the ridge.

Finally, the complaint Ralph Gore with his nose buried in a mass of proof, fix to put his paper to bed and with little prospect of glory there himself. Lake county was in splendid shape, every print shop in the county was loaded with work. We had trouble getting a room in Leesburg—every hotel was full, streets were filled with shoppers and roads with loaded fruit trucks. Had difficulty finding a place to park until a smiling friendly cop helped us move the car ahead to make room. These are the little things that help folks remember your town and make 'em want to come back. At Unatula we found Sam Peacock busy installing a new plant; George and Edith Keller at the Mount Dora Topic were up to get the picture of conditions throughout the state.

At Apopka, Winter Park and Orlando, newspaper boys who so busy they hardly had time to talk to us, and the complaint seemed to be too much rather than not enough business. Filling station operators are pumping more gas, retail merchants find additional clerks, necessary; improvements were evidenced everywhere with new store fronts, new buildings, new homes. Real estate operators report steady sales in all classes of property while it is almost impossible to find a house or apartment for rent anywhere in central Florida.

At Kissimmee, publisher Neil Press is still a Republican and his course can't be questioned. I found some alarm among Polk county growers as to the returns from this year's yield to delay in solving marketing problems and an exceptionally heavy orange crop. Laidlaw looked fine, with a big business and the hotels and restaurants were crowded. Bartow merchants complained of slack sales during the past two weeks; Winter Haven was making elaborate prepara-

Cloud has made a wonderful record in solving its bonded debt problem and is in mighty good shape today.

Had a delightful trip down the Orange Blossom Trail from Haines City to Sebring, stopping at Lake Wales, Frostproof, Avon Park and Sebring. No wonder they call this section "Little Switzerland." The next time the road department has two dollars to spend they might use it to good advantage in building a decent road into this lovely section. From both the standpoint of traffic and attractions it certainly deserves better than, step-child treatment. The gentleman who said "Amen" is Nate Proking, publisher of the Highlands County News.

Red Arkell of the Sebring American was rushing his paper out so he could get to Orlando for a radio program. All that boy needs now is a few billboards and he'd be a business ace enough.

And to sum up: I'd say this business is good, and the future as far as Florida is concerned looks mighty bright, but with all that you find the average business man nervous and jumpy. He'll admit things are all right now. But—and the answer, it seems, is up to Mr. Roosevelt and the congress. If they'll just take down the red flags, barricades and get business of the detours and back on the main road, with a GREEN LIGHT, we can go ahead.

## BELLE GLADE

Dennis Cornette of LaFayette, Ga., is visiting Mr. and Mrs. George Williams.

C. W. Ogil made a business trip to West Palm Beach Tuesday.

Mrs. J. E. Horton of Pensacola was a recent house guest of W. B. Granger at the State Farm.

The following dates have been announced by the local physicians for charity patients at the Everglades Memorial Hospital. Dr. W. J. Buck, December 15-January 15; Dr. S. J. Simmons, January 15-February 15; and Dr. W. J. White, April 15-May 15.

Mrs. James Scullen, president of the Belle Glade Woman's club, was speaker at a woman's club meeting in Pahokee Monday. She talked on the book "Northward Passage," by Kenneth Roberts.

Mr. and Mrs. John Harris, Mr. and Mrs. Richard Bowman and Mr. and Mrs. Lon Belzger spent the week end in Big Cypress hunting.

Mr. and Mrs. J. F. Ewing have returned from a visit to their son-in-law and daughter, Mr. and Mrs. C. Taylor, of Jacksonville, Wis. and their son, Roy Browne, Madison, Wis.

Mrs. Nettie Cribb, mother of Gray Edwards, has been critically ill at the Bradenton hospital.

Mr. and Mrs. Edwards were laid to rest here, but reports state that her condition is improved.

Mrs. Cribb lived here with Mr. and Mrs. Edwards until a short time ago.

Mr. and Mrs. Roy Adams of Tampa were guests of the latter's parents, Mr. and Mrs. N. D. Lloyd Sunday. Mrs. Adams will be remembered as Miss Louise Lloyd of Tampa.

Mr. and Mrs. Frank Anderson and son, David, spent the day in Miami Tuesday.

Mrs. Martha Jane Cox, mother of Mr. Carl Cox, who is spending the winter here, is visiting her sons in West Palm Beach for several days.

Miss Ruby Teague has been seriously ill. It is reported that she is improving.

Mr. and Mrs. Louis Sylomonte, Miss Mattie Lou Conley and Jerry Sylomonte attended the air races in Miami Sunday.

Mr. and Mrs. Fritz Stein visited relatives in Lake Worth Sunday. Mrs. Stein motored on to Miami and enjoyed the air races.

Mrs. Alvin Kirchman and daughter, Anne, and Mrs. M. E. Beader visited relatives in Stuart Sunday.

Miss Lee Nora Brame has returned to the home of her uncle, Carl Cox, after visiting relatives in West Palm Beach for several days.

Mr. and Mrs. Frank Currier had as their guest Miss Mary Currier of Gainesville, recently.

Miss Marcella Creech, a college student in Tallahassee, visited her parents, Mr. and Mrs. Robert Creech, last week.

Harold Highsmith, Nahant, Ga., is visiting his sister and brother-in-law, Mr. and Mrs. Ray Browne.

Mr. and Mrs. Francis Harris, Wendell Harris and Nash Lloyd, Jr., attended the air races in Miami Sunday.

Mr. and Mrs. Guy Bender and children spent the day in Miami Saturday.

A demonstration on the use of Florida fruits in baking, was held at the Pahokee Legion hall last week. Miss See Rice, home economist of the Wheat Flour Institute of Chicago and Mrs. Edith Y. Barrux, county home demonstration agent, were in charge of the demonstration. Those from Belle Glade attending were: Mrs. William Buck, Mrs. J. W. Washley, Mrs. J. F. Browne, Myrtle Chancey, Gwendolyn King, Barbara Tidwell, Theo Wall and Barbara Murphy.

Mrs. Alvin Kirchman and daughter, Anne, accompanied by Mrs. M. E. Beader, Miss Billie Beaser, Mrs. C. W. Ogil and Mrs. Lawrence Beaser and son spent the day in West Palm Beach Monday.

Mrs. F. A. LeFolia and Joe Cherry spent the day in West Palm Beach Friday.

## AT THE Churches

### FIRST BAPTIST CHURCH

Belle Glade

Rev. W. Marion Sentell, Pastor.

Sunday school at 10 a. m. Q. I. Evans, superintendent.

Preaching at 11 a. m. and 7:30 p. m. by the pastor.

granted them. It is just, it is fair and it is reasonable.

"If those sponsoring farm legislation are sincere in their assurance of a desire to deal fairly with all farmers and if they have no desire to discriminate against a class of farmers, I can see no reason why they shouldn't accept and support this proposal."

## BELLE GLADE

Mr. and Mrs. J. M. Holcombe and daughter, Fanny Jane, spent the day in Pompano Sunday.

Mr. and Mrs. Gene McCabe and daughter, Elaine, and Mrs. James Hoyington and son, Joseph, visited Mr. Harold, Morford of the Everglades Memorial hospital in Pahokee Sunday afternoon.

Mr. and Mrs. Roscoe Lee Brad-

duck are announcing the birth of a boy, born December 1. He has been given the name Henry Lee Bradstock. Mrs. Bradstock and infant son are at the Good Samaritan hospital in West Palm Beach.

Mrs. J. O. Jameson was called to the bedside of her mother in law, Mrs. Wabason last week.

George E. Eggleston spent the week end in Miami.

Carl Cox and nephew, Roy Francis Majors, spent the day in West Palm Beach Monday.

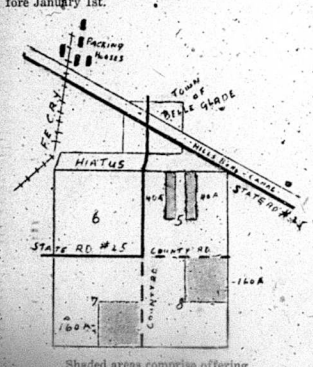

## Mr. Everglades Farmer or Business Man;

You've heard about getting a Federal Farm loan and saying it back in monthly payments over a period of 15 years. So far, the Federal Land Banks have not seen fit to make any loans of this type in the Everglades area. However, I offer a real farm—400 acres—not in a solid body, but as you can see by the diagram below, no one tract is further than 1/2 mile from another tract and the terms are similar to a Federal Farm loan.

This should be interesting to a large farmer or packer financially able to operate a 400-acre farm. It can be bought for \$20 per acre cash, \$1,536.00 twice a year and taxes of about \$1,800.00. In other words, not counting the down payment, the annual principal, interest and tax payments will total just over \$12.00 per acre per year—almost the same as rent. And, at the end of 15 years, he will own the land.

This 400 acres lies within 1/2 mile of State Road No. 25, close to Belle Glade packing houses. 200 acres of the 400 have been ditched, diked and mole-dained, and every acre of the ground is productive—none of it has been burned or mis-treated. In previous years, the land offered has been leased for \$10.00 to \$12.00 per acre per year.

I consider this a real offer and advise you to take it into consideration immediately, as I frankly believe someone is going to purchase this tract before January 1st.

Shaded areas comprise offering

THE  
SUNDAY SCHOOL  
LESSON  
Sunday, December 12  
CHRISTIAN FELLOWSHIP  
Lesson: First John 1:1-7  
Revelation 21:1-7

Studying the lesson last Sunday, we found that rest was only to be found in Jesus Christ, as we obeyed his commands to work.

Today we are learning what Christian Fellowship is. The Foundation of our Fellowship, the conditions of our fellowship, and the perfect fellowship which Christians will enjoy in Eternity.

Our Golden Text, "Our Fellowship is with the Father, and with his Son Jesus Christ," 1 John 1:3. The foundation of our Fellowship, verses one and two. Taken us back before the beginning of human history, and refers to the very beginning of all things. "That which we have heard," of course refers to time. The first clause takes us way back of the Creation, but as Alfred Packer says here in this verse we have both the Creation and the Incarnation. The pronoun "we" refers to the writer John, and all who were and who are associated with him in company with Christ. "And

life was manifested," simply tells us that the Christ, who had lived out sight of men, now became visible, as a living human being. As was John's duty to declare that life to his hearers, so it is our duty to declare it to all who will hear us.

Two fellowships are spoken of in verses three to seven: the fellowship that Christians have with each other, and the fellowship they have with the Father and his Son. The conditions of that fellowship both with God and with each other, depends upon one thing: LIGHT. There is no darkness in God, so there should be no darkness in us, and "if we walk in the light as He is in the light, we have fellowship one with another, and we may know that the blood of His Son will cleanse us from all sin. The time when the perfect, beautiful, eternal, holy fellowship described in Revelation 21:1-7 should be carefully noted, for it shall become a reality. At the judgment of all the teeming population of earth in the various judgments, at which the different classes will appear, God promises to make all things new. That new creation, or renovation, shall be for a renewed people. "If a man be in Christ Jesus, he is in a new creature."

So, our fellowship, here and hereafter, depends upon our being regenerated and born anew, born from above. "Marvel not, I say unto you ye must be born again," Jesus.

With due thanks to Peloubet's Select notes of the International Lesson.

## County To Enroll 45 Young Men For CCC Camps In Jan.

Boys, Unemployed, Between 17 and 23 Years Eligible

JACKSONVILLE, Dec. 9.—State Welfare District No. 10 of which Palm Beach county is a part, will enroll 45 young men for the CCC in January, in the event estimates submitted to Washington by the State Welfare board are accepted.

Estimates for the next enrollment were sent in today for the entire state by Jack Horne, State Welfare Board CCC enrollment director.

The figures represent the number of eligible young men the State Welfare board estimates will desire enrollment in the January CCC call. Horne stated. The estimate will be used by the U. S. Department of Labor as the basis for establishing the Florida replacement quota.

While the primary consideration in determining a state's replacement quota is the number of men enrolled from the state who have left the corps since the last enrollment, the Department of Labor requisition will not exceed the selecting agency's estimate. Horne explained. Thus, if other state's estimates are less than the replacement quota to which they are entitled on the basis of population, states inking estimates that are in excess of the number of replacements to which they are entitled will be allowed to make up the shortage.

The Florida estimate has been made after taking into consideration the actual number of applications now on file, general conditions and seasonal employment, Horne stated.

Eligibility requirements for those who would enroll in the CCC are: Must be citizens of the U. S.; unemployed and in need of employment; of good character; between 17 and 23 years of age; not in regular attendance at school, physically and mentally fit, willing to serve one full term of six months. Applications for this county will be taken by the district welfare board.

## Fellsmere Sugar Industry Enjoys Steady Growth Since Reorganization

The sugar industry in Indian River county by a reorganization assumes new proportions and rises to major importance among essential industries of the state and nation.

When the Fellsmere enterprise was started it required both vision and courage on the part of the promoters: it was at a time when business and industry were at low ebb and apparently had an uncertain future. Mr. Heiser and his associates possessed both the courage and the vision plus business ability and stickability they succeeded.

Gradually the Fellsmere development has grown to an immense industry in importance in this county; the two give a distinction to Indian River county, possessed by no other county in the state. Together, the sugar industry, citrus and trucking make this one of the richest in dollar production in the state.

Like Indian River fruit, "Florida Crystals" have a name that means quality and is so recognized among the users of sugar. This registered trademark will protect that good name and enable the promoters to realize on their effort to produce the highest grade of refined sugar.

The sugar company is putting into use a large acreage of fertile lands in this county and for about half the year is a large employer of labor; it has expanded each year in acreage planted to cane and this is to be continued policy under the reorganized company. Expanding year by year as circumstances have seemed to warrant, has been a safe policy.

The citizens of this county fully appreciate the importance of this industry and will co-operate to the fullest extent with this new co-

operative association in its effort to make this a major industry for South Florida.—Vero Beach Press-Journal.

Over 500 employees not liable for contributions under the state law have signified their intention seeking elective coverage in order that their workers may receive the protection of unemployment compensation.

Date	Max.	Min.	Rain
29	65	63	1.10
30	74	64	2.00
31	72	61	1.00
1	66	55	1.00
2	63	48	1.00
3	64	52	1.00
4	72	52	1.00
5	68	57	1.10

Total rainfall at Canal Point since January 1, 1937—59.31.

First Flows of Tree Branches

The first farm flows were met of crooked tree branches and worked by man power.

Watches Once Small Clocks

Watches originally were small clocks and were worn hung from the girdle because they were too large for the pocket.

## Wildcats Hold The—

(Continued from Page 1)

fin corner punter in the person of H. B. Baxter, left end. His second half kicks kept the Wildcats in the shadow of their own goal almost continuously.

Baxter and Dick Redditt were strong on defense, and they were strong aids to a quarter of back field stars, Joe Tom Boynton, Kermit Dell, Arthur Spooner and Little J. L. Frause, 127 pounds. The Wildcats proved shifty runners, and every one of them blocked effectively.

The Wildcat forward wall, with Gold and Cronwell, on the all-time list and several reserves also injured, played far under the standard of the 'Cat wall in previous games. The lighter Pahokee men opened holes on offensive and broke through to smear the Wildcat offensive thrusts as they started.

The Blue Devils ran the ends with success, as they had done all season, although the Wildcat secondary was none able by for touchdowns. Once Arthur Spooner took the ball on a pass, the Statute of Liberty play to dash 18 yards around end.

In the first half the Blue Devils clicked on a series of short over-the-line passes, with Boynton doing the tossing and Baxter smacking most of them with one hand, basketball fashion.

Surprisingly enough, H. B. Baxter gained a total of 128 yards, piling up 81 of the total in the first half. Pahokee made 67 yards from scrimmage in the opening half, but added 56 more in the second half. The Blue Devils made 13 first downs to 12 for the 'Cats.

By air, the Everglades eleven was on top, getting 65 yards in four passes, out of 14 attempts, while Palm Beach gathered 57 yards in seven completed passes out of 17 tries.

Billy Burns' eight punts averaged 32 1/2 yards, one yard better than Baxter's average on his kicks, but Baxter was shooting for the coffin corner on all his second half booms.

The Red and White team threatened in the first quarter after taking the opening kickoff, but after two first downs Pahokee held and Burns punted out on the Pahokee three yard line. The Blue Devils returned the kick and Palm Beach aided by a 17-yard pass, O'Rourke to Burns, drove to the Pahokee 20. The running attack bogged down and two passes fell incomplete to end the threat.

They exchanged punts again and the Blue Devils drove to Palm Beach territory for the first time, aided by a pass, Boynton to Spooner, which netted 22 yards. Another first down carried to the Wildcat 27, but Billy Burns intercepted a pass on his own two yard line to halt that threat. The 'Cats punted again as the first period ended.

After Baxter's return punt the Red and White failed to gain and in fourth down kick formation Burns just managed to grab Sowell's high center pass. Unable to kick Burns was thrown on his own 20, and Pahokee took the ball but gained only one yard at the line and saw three passes go astray.

O'Rourke and Burns alternated in carrying the ball down to the Pahokee 43, but they were forced to punt again. The Blue Devils drove from their own 27 to the Palm Beach 15 in the longest sustained march of the game. The 44-yard run of Spooner's from the fake kick formation, and a Boynton to Baxter pass which accounted for 30 yards, helped in the drive. Running plays netted a total of five yards and the 'Cats took the oval on their own five with three minutes left in the half. Punting again, the 'Cats saw the victors launch another threat, which carried to the Palm Beach 15 as the half ended.

The story was much the same in the third quarter, when the Red and White displayed their final semblance of power after Walden recovered a ball on the Pahokee 49. It was a center pass which no Pahokee back touched, and the big Palm Beach tackle lumbered 49 yards to what the crowd thought was a touchdown, but the ball was down at the point where Walden recovered it. Two long passes overhauled the targets and again Palm Beach punted. After another exchange the 'Cats drove to the Pahokee 15, and a pass over the goal fell untouched.

Frause triggered a 19-yard run and Boynton and Dell added three more to the Pahokee 42. Spooner went off tackle for 11 yards, and the Blue Devils started rolling with Spooner sweeping around end to the Palm Beach 37. Stopped there, Baxter kicked out on the Palm Beach five. In the next exchange Baxter kicked 36 yards out of bounds on the Palm Beach line. Burns kicked back to the 23 and Pahokee drove to the Palm Beach 14. Gold broke through and threw Boynton for a 13-yard loss and O'Rourke intercepted a pass to halt the threat.

The game ended after a flurry

of passes on both sides. The final play saw O'Rourke snag a 13-yard pass from Burns, but an intended lateral to Merle Bridges was smeared when the alert Pahokee secondary swarmed over O'Rourke as the game ended.

Pahokee had never come as close to a victory over the Palm Beach eleven in the years of rivalry, and nearly 1,600 Everglades supporters wildly cheered Coach Frank Hobson's gallant squad. The game closed Pahokee's season with six wins, two losses and three ties. It also closed the Palm Beach season, except for a post-season game here next Thursday night with Daytona Beach. The 'Cats have a record of seven wins, two losses and two ties.

What was again in the Jamestown colony, Virginia, as early as 1611.

## Mrs. King Is Club Hostess

The Tuesday Morning Bridge club met with Mrs. E. E. King this week. High score winners were Mrs. Arnold Kirchman high, Mrs. Frank Currier, second, and Mrs. H. Y. Creech, third, and Mrs. E. E. King fourth.

Members were present: Mrs. Arnold Kirchman, Mrs. O. H. McWhorter, Mrs. Lee Hayman, Mrs. Robert Creech, Mrs. W. F. Hill, Mrs. Hubert Tilley, Mrs. W. J. Buck, Mrs. P. C. Keese, Mrs. Frank Currier, Mrs. Hans Stein, Mrs. George William and Mrs. E. E. King.
